Moderate Shade Variance

This style has colors ranging from light to dark. Wood is a natural product with inherent differences in color, texture and grain that may not be represented in this room scene. Please ask a sales personnel for a picture that better shows the variations.

# DANSK Hardwood

Disclaimer: Images and actual hardwood floor samples are intended as visual guides and not as the exact representation of the hardwood floors. Wood is a natural material containing distinctive differences in color, texture and grain. Furthermore, sheen or gloss level and the overall appearance of the floor may look different when viewed at various angles and lighting conditions. Before you install any flooring product, we recommend that you rack out a box or two to verify that the product you have ordered is within the acceptable color range and fits your design style. Color variation ratings serve only as guides. Color and grade of all natural products must be inspected and approved by the consumer prior to installation. Any flooring installed will be considered acceptable and no claims will be valid based on visible appearance after installation.
